Dear Fellow Anglers

Re: Umhlanga Festival 2020

In light of the President of South Africa, Cyril Ramaphosa's speech, as well as SADSAA's announcement to postpone all upcoming Angling events, we as the competition committee of the Umhlanga Festival 2020, have taken the decision to postpone the event to the weekend of the 5th December 2020.

We are aligned to ensuring the safety of all participants and their families and fully appreciate the support we have received to date from all sponsors and anglers.

As competitors your entries will remain valid for the proposed date. (5-6 December 2020)

All valid entries as of today who choose to remain entered, will automatically qualify for an exclusive lucky draw for a Penn Rod and Reel Combo valued at R8000.

All top 100 valid entries as of today who choose to remain entered, will still receive their exclusive competition shirts valued at R450 on registration.

For those anglers that wish to be refunded please email infoursbc@gmail.com. Please keep in mind that should you wish to re-enter at a later stage, that it would be dealt with as a new entry @ R650 PP and would not form part of the lucky draw or the exclusive competition shirt offer.

Once again your support is greatly appreciated and we wish you and your families a safe period as we as a nation tackle the challenge ahead.

Yours in Angling

Umhlanga Festival Competition Committee
